### **Frequently Asked:**

Can I send my child's older sibling? Yes! We accommodate all campers from age 3-12. Unique programming is provided for each age group. By blending the ages, we believe that the children's learning is enhanced and we are very experienced at providing differentiated, inclusive learning.

How many care givers are present? Miss Jen is the camp leader and there will be a minimum of two volunteers present at ALL times. The volunteers are high school aged children who are working on completing their Community Service Hours. They come highly recommended by their schools.

Do you have extended before and after care? What is the cost? Yes we do. We will start as early as 7:45am and end as late as 4:30pm. Before and after care is from \$3-\$5 depending on the length of care. Individual requests may be accommodated as well.
